Total Expenditure on account of Volunteer Department and Defence purposes during the year ending 31st December, 1890 (including amounts carried to Suspense Account to meet Liabilities outstanding), £4,012 18s. 8d.

REMARKS:—There are no Military Works whatever in Western Australia at present, but Defence Works are about to be undertaken at King George's Sound.

The Military Posts are Perth, Fremantle, Guildford, Geraldton, Northampton, and Albany. At each of these places there are Rifle Volunteer Corps, and at Perth a division of Field Artillery.

The troops are purely Volunteers, drawing merely a Capitation Grant of £1 10s. per efficient, and a small allowance for the maintenance of Bands and Corps Drill Instructors, also a sum of £110 annually for prizes for Rifle contests.

The Paid Staff consists of a Commandant on a salary of £100 per annum, the post being held by an Officer receiving salary for other posts held under the Government of the Colony, and an Adjutant on a salary of £175 per annum, with £50 lodging allowance.

Twelve parades per annum and the expenditure of 40 rounds of ball ammunition at target practice for an efficient entitles to capitation grant. Inspections and Field Days are included in this number, but not recruit drills.
